Lions Elect International President

Claude M. DeVors of Wichita, Kansas, was elected President of the Association's 47th annual convention in Toronto, Canada, July 8-11. Lions International, with 720,000 members in 124 countries, is the world's largest service club organization.

Lions International is best known for its many youth programs, community service projects, sight conservation activities and aid to the blind. Last year Lions Clubs around the globe completed more than 400,000 individual community projects.

Water Standpipe Near Cemetery

A water standpipe has been installed by the town on the golf course at a point adjacent to the cemetery.

Persons wishing to water flowers and plants in the cemetery can now easily get water from this outlet, which has also been fitted by the golf club with a drinking fountain.

The standpipe is located between No. 5 and No. 6 tee, just a few yards from the cemetery.

Pop Cases and Power Poles Fire Casualties Last Week

The Vulcan Fire Brigade was called out for two separate blazes during the past week, one at the outside of the IGA and the other on the north outskirts of town.

Shortly after 3:00 p.m. Thursday a call came from the Vulcan

Will Demonstrate Food Freezing

A freezer demonstration — illustrating the preparing for freezing of different varieties of food — will be held at the Vulcan Lodge Hall on Thursday, July 30, at 2:00 p.m.

The one and a half hour demonstration will be conducted by Miss Bette Purves, B.Sc., Home Ec. home service director for Calgary Power Ltd. and admission is free. Housewives and others interested in freezer storage of foods are invited to attend.

Carmangay Wolf Cubs Enjoy Claresholm Camp

(By Carmangay Correspondent)
Twenty-four Claresholm Cubs, eight Carmangay Cubs and two Cubs from Woods Christian Home combined to enjoy five days of fun and companionship at Claresholm Cub Camp on Willow Creek on July 2 to 6.

The first evening out a rain shower dampened the spirits of leaders and older Cubs who had experienced rainy camps. However, apprehension subsided as all Cubs were bedded down snugly in dry tents, and woke up to find their prayer for good weather granted.

Washing dishes, scrubbing potatoes, tent inspection, are routine at camp, but each morning the Cubs gathered eagerly around the bulletin board to find out the surprise activities for each day.

Friday, an exploration ramble with D. Weiser instructing and identifying plants, trees, rocks and bugs. Saturday a "fox hunt" with clue words hidden on a long trail to tell them where the fox hid. It was an hour and half of hilarious a red fox curled up in a box of scramble, but they finally found suckers under a bush.

On Sunday the Catholic Cubs and leaders attended Mass at Christ the King Church in Claresholm at 7:30 a.m.

A Protestant "Cubs Own" service was conducted at camp, led by the Cubs who have earned the Religion and Life Emblem. Cub Kirby Smith lead the group in Psalm. Cub Colin Markle conducted the prayers. Choir boys were Randy Smook, Michael Seward, Colin Markle, Wayne Tate, Larry Fraser, Randy Ross. Michael Seward gave the sermon story. Randy Smook sang a solo. When He Cometh. Akela Arnestad closed the service with the Benediction. Leaders at camp were very proud

of the boys who are developing leadership ability.

Sunday afternoon all Cubs and leaders were dressed in pirate costumes as they rowed their boats and sang across the ocean, to find the wrecked treasure ships. On the trail they found the wrecks of last year's flood — mattress, plywood, gasoline barrels, pieces of wood, etc., which made the pirate day quite authentic to young imaginations. When six watermelons and 50 chocolate bars were found washed up in a cave of rocks, the pirates were happy to have found the treasure chest.

One way to get Cubs to wash at camp is a swim period from 4:00 to 5:00 o'clock daily. This was greatly enjoyed by all with Don White as life guard.

The handicraft project for camp took up the rest period that all leaders and Cubs are supposed to have after dinner, as well as the hour assigned to handicraft. Each Cub made a puppet from a milk carton for Sunday camp fire to entertain their parents and friends. It paid off — all leaders agreed — it was the best campfire program we have ever had.

Claresholm Cub leaders wish to give thanks to Mrs. Josephine Minty of Carmangay for bringing her Cubs and her leadership to the camp.

Mrs. Minty has been appointed to the Canadian Training Team to train new personnel in Cubbing. Her full time presence and leadership at this camp helped to make this the best ever.

Porcupine Hills District Commissioner E. Palmer and Lake McGregor Commissioner J. Wyllie spent all day Sunday in camp. They commended the camp program and enjoyed their day with Cubs.

Personnel at camp: Camp chief, May Arnestad; assistant camp chief, Joyce White; leaders, Mrs. Josephine Minty, Mrs. Hazel Lyckman, James Anderson, Wilf Jaquard, Don White; cook, Mrs. Clarence Skoye; Scouts, Charles Taylor, Bob Arnestad, Hugh Taylor; kitchen helpers, Marilyn White, Mary Gaab, Valerie Jackson; food transport, Everett Arnestad.

Guide Camp Held At Arrowwood

The Arrowwood and Vulcan Guide Companies held Guide camp at Arrowwood camp at Arrowwood from July 12 to 19.

The camp was attended by 10 Guides from Arrowwood and 11 Guides from Vulcan, with two visiting Guides from Olds. Leaders in attendance were Mrs. E. Hayes, Arrowwood; Mrs. D. Bailey, Olds; Mrs. G. Grant, Vulcan; Nurse, Mrs. G. Graham, Vulcan; Lifeguards, Pat Giles and Shirley Markert, Vulcan; Quartermasters, Mrs. H. Roe and Mrs. E. Sokvitne, Vulcan. All report an enjoyable week with excellent weather.

Calgary Man Injured In Car Accident

A Calgary man, Donald Crook, was seriously injured early Sunday morning when his car went off the road, hit a field entrance and was completely wrecked before it came to rest in a farmer's field.

The accident occurred about three miles south of Vulcan on Highway 23. The Vulcan ambulance rushed the man to hospital, where he received treatment for facial injuries and possible skull and neck fractures. He was later taken by ambulance to Calgary for further observation and treatment.

No other vehicle was involved in the accident.

FUA Hillbillies In Two Parades

The July meeting of the Buffalo Hills Jr. FUA was held on July 4, at Lake McGregor. Discussion pertained mainly to the Buffalo Hillbillies' float. The executive meeting will be held on July 26, at Lake McGregor and the August meeting will be on Aug. 1, also at the lake.

The Buffalo Hillbillies, sponsored by the Buffalo Hills Jr. FUA travelled to the Bassano Stampede parade on July 1, and to the Calgary Stampede parade on July 6. Delecting the famous Clamptets from Beverly Hills, they carried their most precious possessions with them on their old Model A Ford truck. Although they did not make an oil strike, they did get third prize of \$50 in the Western Division of the Calgary Stampede parade.

Four Swimmers Do The Mile

(By Dale Phillips)
Quote: "Agghhh! Gotta cram! Can't make it! Sheesh! Gonna die! (burp) Whiezz!"

Four young aspiring aquatic enthusiasts took it upon themselves to qualify for the Alberta Safety Council Mile Swim Award last Wednesday evening. All four candidates stretched their endurance enough to fall well within the 45-minute time limit.

Award winners are: Allen Hubbard, 28 mins.; Ina Haverly, 33 mins.; Jerry Hubbard, 34 mins.; Drew Price, 34 mins. The swimmers four used a combination of strokes!

Swimmers 16 years of age or over (not excluding adults) are invited to attend a Red Cross Water Safety Instruction Course at High River Pool during the first two weekends of August (1st, 2nd and 8th, 9th). Please enquire at local pool.

H. J. Spanke Dies At High River

A well known oldtimer, Henry Joseph Spanke of High River died on July 11, 1964, at the age of 88. Requiem mass was said at St. Francis Church, High River, on Tuesday afternoon, July 14, and interment was in the High River cemetery.

Surviving are three daughters, Mrs. Jake (Ann) Wambecke, Mrs. John (Sadie) Wambecke and Mrs. Robert (Margaret) Butcher, all of High River; seven grand-children and four great-grandchildren; two brothers, Leo of Vulcan and Paul of California; and two sisters, Mrs. Charles Smith of Black Diamond and Sister Mary Catherine of Chicago.

Gas-soaked Clothing Blazes, Boy 16, Critically Burned

Roy Dow, 16-year-old son of Mr. and Mrs. Douglas Dow of the Champion district, was in critical condition in a Calgary hospital Tuesday as an aftermath of an unusual accident in which he received second and third degree burns to over 70 per cent of his body.

After finishing some painting at his parents' farm near Champion Sunday noon he cleaned his hands and paint brushes with gasoline. Reports indicate that some of the gasoline splashed on his clothing

Seventeen of the first 26 residents to live at the Peter Dawson Lodge are shown above in an informal photo taken previous to the official opening of this senior citizens home which was held Monday of this week. From left to

right are Mrs. A. Reid, Mrs. F. Rogers, Miss A. McLennan, Mrs. M. Larkins, Mrs. A. Cotton, W. Peters, J. Olson, Mrs. B. Barnwell, Steve Gaerdania, C. Matlock, Mr. and Mrs. John Schauerman, Mrs. C. Matlock, O. Donnelly, F. Sever-

son, F. Soder, A. Spaeth. Absent were Mrs. V. Vaughn, J. Haga, C. Northcott, Mrs. L. Powell, Mr. and Mrs. G. Flebotte, Mrs. M. Eamor, J. Dewitt and Mrs. M. Schenk.

Give Crib Boards To Dawson Lodge

The regular meeting of Reid Hill WI was held Thursday, July 9, at the home of Mrs. Clifford Love. Mrs. J. French, the president was in the chair and conducted the meeting assisted by Mrs. J. C. MacMillan as acting secretary. The treasurer's report was given by Mrs. C. L. Kuykendall.

Routine business matters were dealt with. The presentation of three cribbage boards to the Senior Citizens Home was reported and plans were finalized for Reid Hill's participation, with other local branches, at the official opening of the Home on Monday.

Twelve members answered Roll Call with "The Most Unforgettable Character I've Known" and caused much merriment.

Following the adjournment of the regular meeting Mrs. MacMillan, on behalf of the branch, made a presentation of a lovely table lamp to Jean Lebsack and expressed the good wishes of all. Mrs. MacMillan also presented Jean with a number of individual gifts from the members.

Serving of a delicious lunch by the hostess and assisting hostesses brought a pleasant afternoon to a close. The next meeting will be held at the home of Mrs. Freida McRoberts instead of at the Healy home as planned.

Crops Good But Rain Is Needed

A shower that covered a large part of the Vulcan district late last week only averaged about two-tenths of an inch precipitation and, although welcome, did not go far towards alleviating the need for moisture.

Growth is heavy but some fields are starting to deteriorate from lack of rain. Other fields, where possibly more showers have been received this summer, would benefit greatly from a good rainfall in the next few days. Conditions remain generally good except in certain small areas that seem to have missed most of the showers earlier in the season.

Fall rye and winter wheat crops, now ripening rapidly following the hot weather of the past two weeks, are expected to give above average yields.

DRIVER TRAINING

Automobile insurance companies are in favor of teen-agers being taught to drive a car in high school. Safety groups and automobile clubs also are in favor. School boards across Canada, which have the say, are divided on the question.

Peter Dawson Lodge Officially Opened

The official opening of Peter Dawson Lodge, the Senior Citizens Home serving this area, took place Monday afternoon, July 20, with the Hon. L. C. Halmrast, Minister of Public Welfare, as guest speaker.

Over 200 guests attended the opening ceremonies of the lodge, which was named in honor of the late Hon. Rev. Peter Dawson, Member of the Legislature for Little Bow constituency from 1935 until his death in March 1963 and Speaker of the House in the provincial legislature for 26 years.

Ivan Haga, chairman of the Municipal Committee of the County of Vulcan, acted as chairman for the afternoon, and greetings from the county were brought by Reeve Jack Deitz. Mr. Deitz commented that the Marquis Foundation, which operates the lodge, was a fine example of co-operation between the county, the town and the villages in the county, all working together for the welfare of senior citizens.

Greetings from the Town of Vulcan were brought by Councillor John Wolfe, who noted that the lodge was fulfilling a real need in this area and promised the full co-operation of the town council in any matter which would benefit residents of the lodge.

Ray Speaker of Enchant, M.L.A. for Little Bow, spoke briefly, paying tribute to the late Peter Dawson and expressing pleasure that the lodge had been named in honor of Mr. Dawson.

The Minister of Public Welfare, Hon. L. C. Halmrast, was introduced by J. M. McKay, chairman of the School Committee of the County of Vulcan. The provincial government's program of providing senior citizens' lodges has proven very acceptable, said the minister. Originally, 50 homes were planned for the rural areas and of these 44 are now completed and two are under construction. Including the larger homes built in the cities, there are now 56 in the province.

Provincial benefits for senior citizens should not be provided only in the cities, said Mr. Halm-

rast, and the government was now prepared to continue to build these homes in the rural areas — past the 50 originally planned — so that no area having need for such a home will be without one.

A home such as the Peter Dawson Lodge, with a capacity of 50 residents, costs the provincial government \$230,000, fully equipped, and each home is then turned over, debt-free, to a foundation to operate. Experience has shown that a minimum of 35 residents will enable such a home to operate without a deficit and that this figure is usually reached within the first year. (Note: Peter Dawson Lodge, open less than three months, now has 26 residents. Until such time as a Lodge has sufficient occupancy to operate without a financial loss, the deficit is shared by the participating municipalities.)

The ceremony of cutting a ribbon stretched across the front door of the Lodge was then performed by Mr. Halmrast and the dedication was given by Rev. R. J. Pelham, president of the Vulcan Ministerial Association. A framed picture of the late Mr. Dawson, robed as Speaker of the House, was presented to the Lodge by his widow, Mrs. Peter Dawson of Vulcan.

Musical selections were played by Frank and Jack Thurber of Blackie while many of the more than 200 guests in attendance toured the Lodge. Refreshments were served by members of the five Women's Institutes of the Little Bow constituency.

The board of the Marquis Foundation, which operates the Peter Dawson Lodge, is composed of representatives of the County of Vulcan No. 2, the Town of Vulcan and the Villages of Champion, Carmangay, Lomond, Milo and Arrowwood. B. W. Banks of Vulcan is chairman and the secretary-treasurer is D. D. McQueen.

Pictures and description of the Peter Dawson Lodge will be found on an inside page of this issue of The Advocate.

The Lions Memorial Swimming Pool is the busiest place in town these days. From morning 'till night there is instruction in swim-

ming, diving and life saving for all ages and family swimming Wednesdays. Above, pool supervisor Dale Phillips crouches at

water's edge while sun bathers lool in the background.

The staff of the Peter Dawson Lodge is shown above in the spacious kitchen. At left is Mrs. Sarah Marsh, cook while assistant, Mrs. Lenore Ruff, is standing by the coffee urn. To the left is matron of the lodge, Mrs. Alma Helgeson. Previous to her appointment at Vulcan Mrs. Helgeson was matron of the Ridgeview Lodge at Raymond, another senior citizens' home. Kitchen floors are done in light colored tile and the woodwork is also light in color.

Three sinks, two of which are doubles, are situated at convenient working positions along the counters and a "serve-through" into the dining room, eases the handling of plates. A large kitchen range, meat cutting block and multiple-feed pop-up toasters are other items of the kitchen along with wall and overhead cupboards. Others on staff not shown are Mrs. Neva Spears, Mrs. Darlene Norquist and Mrs. Jean Shulling.

Now, in its third year of use on the Prairies, Flexi-Tooth has proved conclusively to out-perform conventional steel teeth. Farmers confirm that Flexi-Tooth is more efficient, harvests more grain per acre while it picks up fewer rocks and stones. Equipment fitted with Flexi-Tooth runs quieter and causes less dust. Less breakage and easier replacement of teeth proved to be other important features. Flexi-Tooth, developed by Imperial Oil, is available only from your Esso Agent...phone him today!

CARDS OF THANKS

We would like to express our heartfelt thanks and appreciation to the scores of neighbors, friends, and to our relatives; for expressions of sympathy, flowers, cards, memorial books and the quantities of fine food, received during our recent bereavement. A special thank-you to those who were so generous in providing transportation, comforts for our guests, and in many other ways rendered assistance. To the Champion Chapter, Order of the Eastern Star and the Ladies Auxiliary to the Royal Canadian Legion we will be ever grateful.
— C. J. Versluys and family.

My sincere thanks go out to the people of the Lomond Community for the farewell party and lovely gifts. Many thanks to all who attended and helped in any way to make it a memorable evening.
Marie Zambaldi, Lethbridge. 50-1x

CANNING

FRESH FRUIT SALADS

With Ascorbic Acid (Vitamin C)

Many fruits darken and suffer undesirable flavor changes when their open surfaces are exposed to the oxygen in the air (oxidation).

However, some fruits that have a high natural content of Ascorbic Acid (Vitamin C) do not suffer these changes and are easily preserved — for instance, oranges. This is an example of how Ascorbic Acid helps protect the color and flavor of fruit.

Ascorbic Acid "BDH" will help to make your fruit freezing and canning more successful. It will add nutritive value to the fruit, too, because pure Ascorbic Acid is recognized as a vitamin essential for the normal functioning of the body.

Use 1/4 to 1/2 teaspoon to each cup of sugar or syrup.
